## CONTACT MYCRECLOUD

Contact our team to learn more about moving your software hosting to a safe, secure, and reliable cloud-based solution.

We offer competitive pricing and flexible terms. Plus, we price our hosting on seat licenses, not individual user licenses - share access across team members and reduce your cloud hosting costs.

*"myCREcloud is the perfect hosting service for our Sage clients. Their level of professionalism, response time and ability to troubleshoot technical issues makes this an easy choice for us. I know that our customers will be taken care of and we can spend our time focused on helping them build their business, not dealing with their server issues."*
